Event Overview

Code Camps are a free, one day learning event for programming professionals and students with a focus on .NET and other related technologies. Code Camps are "grass roots" mini application platform developer conferences, free of charge to attendees and open to presenters of all stripes and experience.

Code Camps are:

- By and for the developer community
- Always free
- Community developed material
- No fluff only code
- Community ownership
- Never occur during working hours

The Orlando .NET Code Camp is being organized by the Orlando .NET User Group (www.onetug.org). Details of the event can be found at www.orlandocodecamp.com. Below outlines some of the highlights with regard to contributors.

We have four goals for this event:

- Provide a first class training experience for our attendees. Even though it will be free, we plan to make it as good as or better than a similar paid event.
- Provide a great networking experience for .NET professionals, vendors and employers.
- Build our speaker pool. We've worked hard to get local speakers for the event. Mentorship is being offered for new speakers with assistance to prepare for the event.
- Build relationships with sponsors. The local user groups are funded entirely by donations and we
 hope that you will see them as a good venue for highlighting your products, services or just as a
 good place to look for .NET talent.

This is the seventh time this event will be held in Orlando. Last year we hosted over 600 attendees and our goal is to have higher attendance this year – building on the success of previous Code Camp events. Our target audience is Software, IT, and Database professionals and managers working in the state of Florida. Traditionally, our attendees come from all experience levels ranging from beginning level to senior level positions.

We are advertising via .NET user groups, SQL user groups, posts in several local blogs and mentions in newsletters of User Groups, Community Credit, PASS and MSDN Flash, Facebook, Twitter, and LinkedIn. We are also working with our personal contacts and asking our friends in the staffing community to help us get the word out.

We hope you will support our event! Please contact us at sponsors@onetug.org or call Brian Mishler at 407-253-2266 or Esteban Garcia at 407-435-9073.

Event Logistics

Our event follows the standard conference model. We are planning on 50 to 60 sessions, which will run 60 minutes long, with 15 minute breaks between to allow time to visit with our sponsors. Registration will open at 7:00 am. Our keynote will start at 8:00 am and sessions will begin by 9:00 am. Breakfast and lunch will be provided on site. The last session will end at 5:00, followed by closing remarks and prize give-away.

Upon arrival, attendees will complete the registration process and receive an event bag containing a full schedule, flyers and other items from sponsors. They will also receive a **Sponsor card**. In order to enter the raffle, attendees will have to visit all sponsor tables and get the Sponsor card stamped.

We will end the day with a closing session and prize raffles. For the raffles, we are looking at prizes like Xbox, laptops, free training, gift cards, etc.

Attendees will also be able to qualify for additional entries into the raffles by completing evaluation forms or through various contests throughout the day.

After the event we will send a follow up email that will recap the day, provide links to the files from the event for download and provide a list of all sponsors with a links to their designated sites on the OrlandoCodeCamp.com site. This provides sponsors with one more opportunity to interact with attendees once the event has completed.

Sponsor Information and Deadlines

Upon arrival, sponsors will be greeted by a volunteer and be directed to their booth where a table and 2 chairs will be provided. All sponsors should bring marketing materials and be prepared to man their booth for the duration of the event. We suggest that you bring business cards, pens, branded trinkets, a banner/sign, and have a raffle prize for your table to assist in the collection of business cards and other contact information. If you are giving away a prize during the raffle, prizes will be given away and your company announced during the closing remarks. If you require any special assistance like additional chairs, or other needs please contact us 2 weeks prior to the event date so we can best accommodate you: sponsors@orlandocodecamp.com.

Items to be included in the attendee bags must be provided 2 weeks prior to the event date and we ask that each sponsor limit to one piece of marketing material and one "trinket".

It is very important for sponsors to email us their logo to be used on branded Code Camp items at least 1 month in advance of the event in order to be included in all marketing appropriate to their sponsor level.

Contribution Levels

Contributor Option	Benefit
Diamond - \$2,000 (Limited to 2)	 Logo on Polo Shirts for speakers and volunteers 1 personalized e-mail sent to attendees two to three days before the event 1 personalized e-mail sent to attendees within one month after the event Platinum Benefits
